

Assembly Instructions

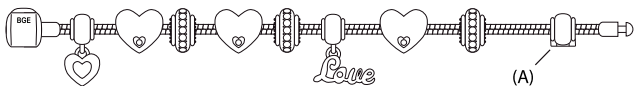

- 1.) Remove your bracelet from the jewellery pouch and lay on a flat surface.
- 2.) Locate clasp charm (A) and open by pressing your fingernail into the groove and applying pressure. Remove and set aside for later.

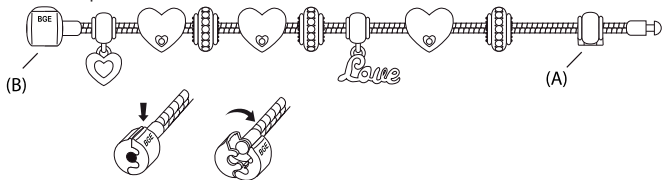

- 3.) Remove your personalised charms from their packets and match the heart charms with their corresponding birthstone charms.

- 4.) Thread the charms onto the chain in the order you desire.
- 5.) Once your charms are in place, replace clasp charm (A) on to the chain and click to secure.

- 6.) To wear the bracelet, locate the clasp charm marked BGE (B) and open by pressing your fingernail into the groove and applying pressure.

- 7.) To secure the bracelet, place the rounded tip of the end of the chain (C) into the groove of clasp (B), click to close the clasp.
